Project Recipe:

1. Base - Balmy Blue 4 1/4" x 5 1/2"

Whisper White - 4" x 5 1/4"

Easel Piece - Balmy Blue - 3" x 4 1/2"

Easel Mat - 2 7/8" x 3 7/8"

Easel Image - Whisper White - 2 3/4" x 3 3/4"

2. Stamp Whisper White 4 x 5 1/4" as desired. This was stamped using Painted Harvest stamp set and Soft Seafoam for the leaves.

3. Easel:

Score Balmy Blue 3" x 4 1/2" at 2" and 4" on the 4 1/2" side.

Apply Tear and Tape to the two end panels. DO NOT apply any adhesive in the middle panel.

Apply Adhesive to the back side of the 1/2" end as well. Attach this side to the back of the Whisper White 4 x 5 1/4" so the Balmy Blue easel with Tear & Tape on the other end panel is facing up.

Apply Whisper White 4 x 5 1/4" to the Balmy Blue Base.

4. Stamp 2 3/4" x 3 3/4" Whisper White as desired. This panel was stamped using Balmy Blue and Pacific Point for the flowers, Early Espresso for the center and Soft Seafoam for the leaves.

Attach to Early Espresso mat.

Attach to the bottom part of the Easel where the Tear and Tape is applied.

5. Stamp Sentiment in Early Espresso Ink and punch with the Pretty Label Punch.

Punch a Pretty Label from Balmy Blue scrap.

Cut this in half.

Attach Balmy Blue to back side of sentiment creating a border.

Attach to base of card using dimensionals to hold the side board up.
